Prices in US dollars ($) · October 2026

Rate card

Starting prices for common projects. Every project gets a fixed quote after a free 30-minute discovery call, based on what you actually need. Most projects land near the starting price; extra features, pages or integrations add to it.

1

Discovery call

Free, 30 minutes. We go through goals, users and deadline.

2

Fixed quote

A written proposal with scope, milestones and price within a few days.

3

Build

50% deposit to start. Weekly updates and a preview link throughout.

4

Launch

Final 50% on delivery, then launch, handover and 30 days of free fixes.

WEBSITES

Landing page

A single page that explains one offer and gets people to act.

PAYMENT

SCHEDULE

50% to start, 50% on delivery before launch. Builds over $5,000 can be split into milestones.

CARE PLANS

Billed monthly in advance.

TAX

Prices exclude any local taxes in your country.

Payment in US dollars

International bank transfer or an agreed payment platform. Account details are printed on each invoice. You cover transfer fees so the full invoice amount arrives.

Payments are only ever made to the details on an invoice from hello@layothedeveloper.com. If anyone sends you different details, confirm with me by phone before paying.

WHAT EVERY PROJECT INCLUDES

- Two revision rounds per milestone
- Full handover of code, files and logins once paid
- Basic on-page SEO and analytics
- 30 days of free fixes after launch
- Mobile, tablet and desktop testing
- A short guide to updating your content

NOT INCLUDED UNLESS QUOTED

- Domain, hosting and paid licences
- Paid advertising and ongoing SEO campaigns
- Copywriting and photography
- Changes after sign-off (hourly rate)

Start a project

Send an enquiry at layothedeveloper.com/contact or email hello@layothedeveloper.com. Quotes are valid for 30 days; these rates apply from October 2026 and may change.
