Prices in Naira (₦) · October 2026

Rate card

Starting prices for common projects. Every project gets a fixed quote after a free 30-minute discovery call, based on what you actually need. Most projects land near the starting price; extra features, pages or integrations add to it.

1

Discovery call

Free, 30 minutes. We go through goals, users and deadline.

2

Fixed quote

A written proposal with scope, milestones and price within a few days.

3

Build

50% deposit to start. Weekly updates and a preview link throughout.

4

Launch

Final 50% on delivery, then launch, handover and 30 days of free fixes.
